Vision

The Annual Preservation Awards were founded in 1985 by Heritage Winnipeg as a means of recognizing the people and building projects dedicated to conserving Winnipeg's built heritage. Celebrated in conjunction with Louis Riel Day and Heritage Week, awards are presented in three categories: Heritage Conservation, Distinguished Service and Youth.

Building On Success

Now in its 36th year, the Annual Preservation Awards have recognized over 140 building projects in Winnipeg that conserved built heritage while making it functional for the modern era. The awards have also recognized over 65 individuals and community groups that have made a difference through their commitment to Winnipeg's built heritage.
