Advocacy in **ACTION**

In 2023, the **Crescentwood-Enderton Park** neighbourhood was designated as a Heritage Conservation district following **Armstrong's Point's** designation in 2019.

Heritage Winnipeg strives to work with community groups, building owners, developers, and government to seek solutions that benefit all - creating vibrant, desirable, sustainable and diverse neighbourhoods.

The former Bank of Commerce located in the Exchange District, a national historic site, was built in 1912. Now known as the **Millennium Centre**, we are dedicated to its conservation and future redevelopment.

We are involved in our community and support their successes!

Heritage EDUCATION

Heritage Winnipeg helps create innovative **digital educational projects** that result in free online heritage resources. DiscoverIT website to be launched in 2024.

Through Young Canada Works and Canada Summer Jobs in Heritage Institutions, we are able to provide **heritage sector work experience** for students.

Through the **Met Schools Program**, we are able to give students the opportunity to grow academically and professionally through internships.
