# Advocacy IN ACTION

---

Heritage Winnipeg strives to work with community groups, building owners, developers, and government to **seek solutions that benefit all** - creating vibrant, desirable, sustainable and diverse neighbourhoods

The former **Carnegie Library**, a historic 1905 building, will be restored and reopened as the home of the City of Winnipeg Archives after years of vacancy.

The former Bank of Commerce located in the Exchange District, a national historic site, was built in 1912. Now known as the **Millennium Centre**, we are dedicated to its conservation and future redevelopment.

We are involved in our community and support their successes!
