About the Fall Fundraiser

Join Heritage Winnipeg for an amazing night in the Former Glasgow House—a 2025 Preservation Award winner. This home has been a fundamental part of Armstrong's Point, Winnipeg's first Heritage Conservation District, since it was constructed in 1911 for Dentist, Frank William Glasgow. From the 1980s to the 2020s, the Thomson family took exceptional care of the home!

Unfortunately, a chimney fire occurred in 2020, causing severe damage to the home. The Thomsons, together with Priority Restoration, meticulously restored each element. The current owners of the home, Wins and Rae Bridgman, nominated the Thomson family for their passion and dedication in restoring the home in 2025. Their story is a powerful reminder of the importance of protecting Winnipeg's historic residential homes!

Enjoy live music, wine, hors d'oeuvres from Bergmann's on Lombard, and a fireside chat with owners, Wins and Rae Bridgman.

Celebrate heritage, community, and preservation at our Fall Fundraiser, hosted in this special home!

All funds raised will help Heritage Winnipeg continue our important work advocating, educating, and celebrating our built heritage!
